

TPS NEGOCIOS
Integral Solutions

Security
and efficiency
for your
company.

About us.

We are an integral solutions firm with more than 6 years of experience, specializing in business search, administration, and management, which provides certainty and administrative, labor, and tax reliability.

At TPS Negocios we remain at the forefront, always focused on the specific development of each of our clients, providing methodologies, processes, and tools that benefit the productivity and quality of your company.

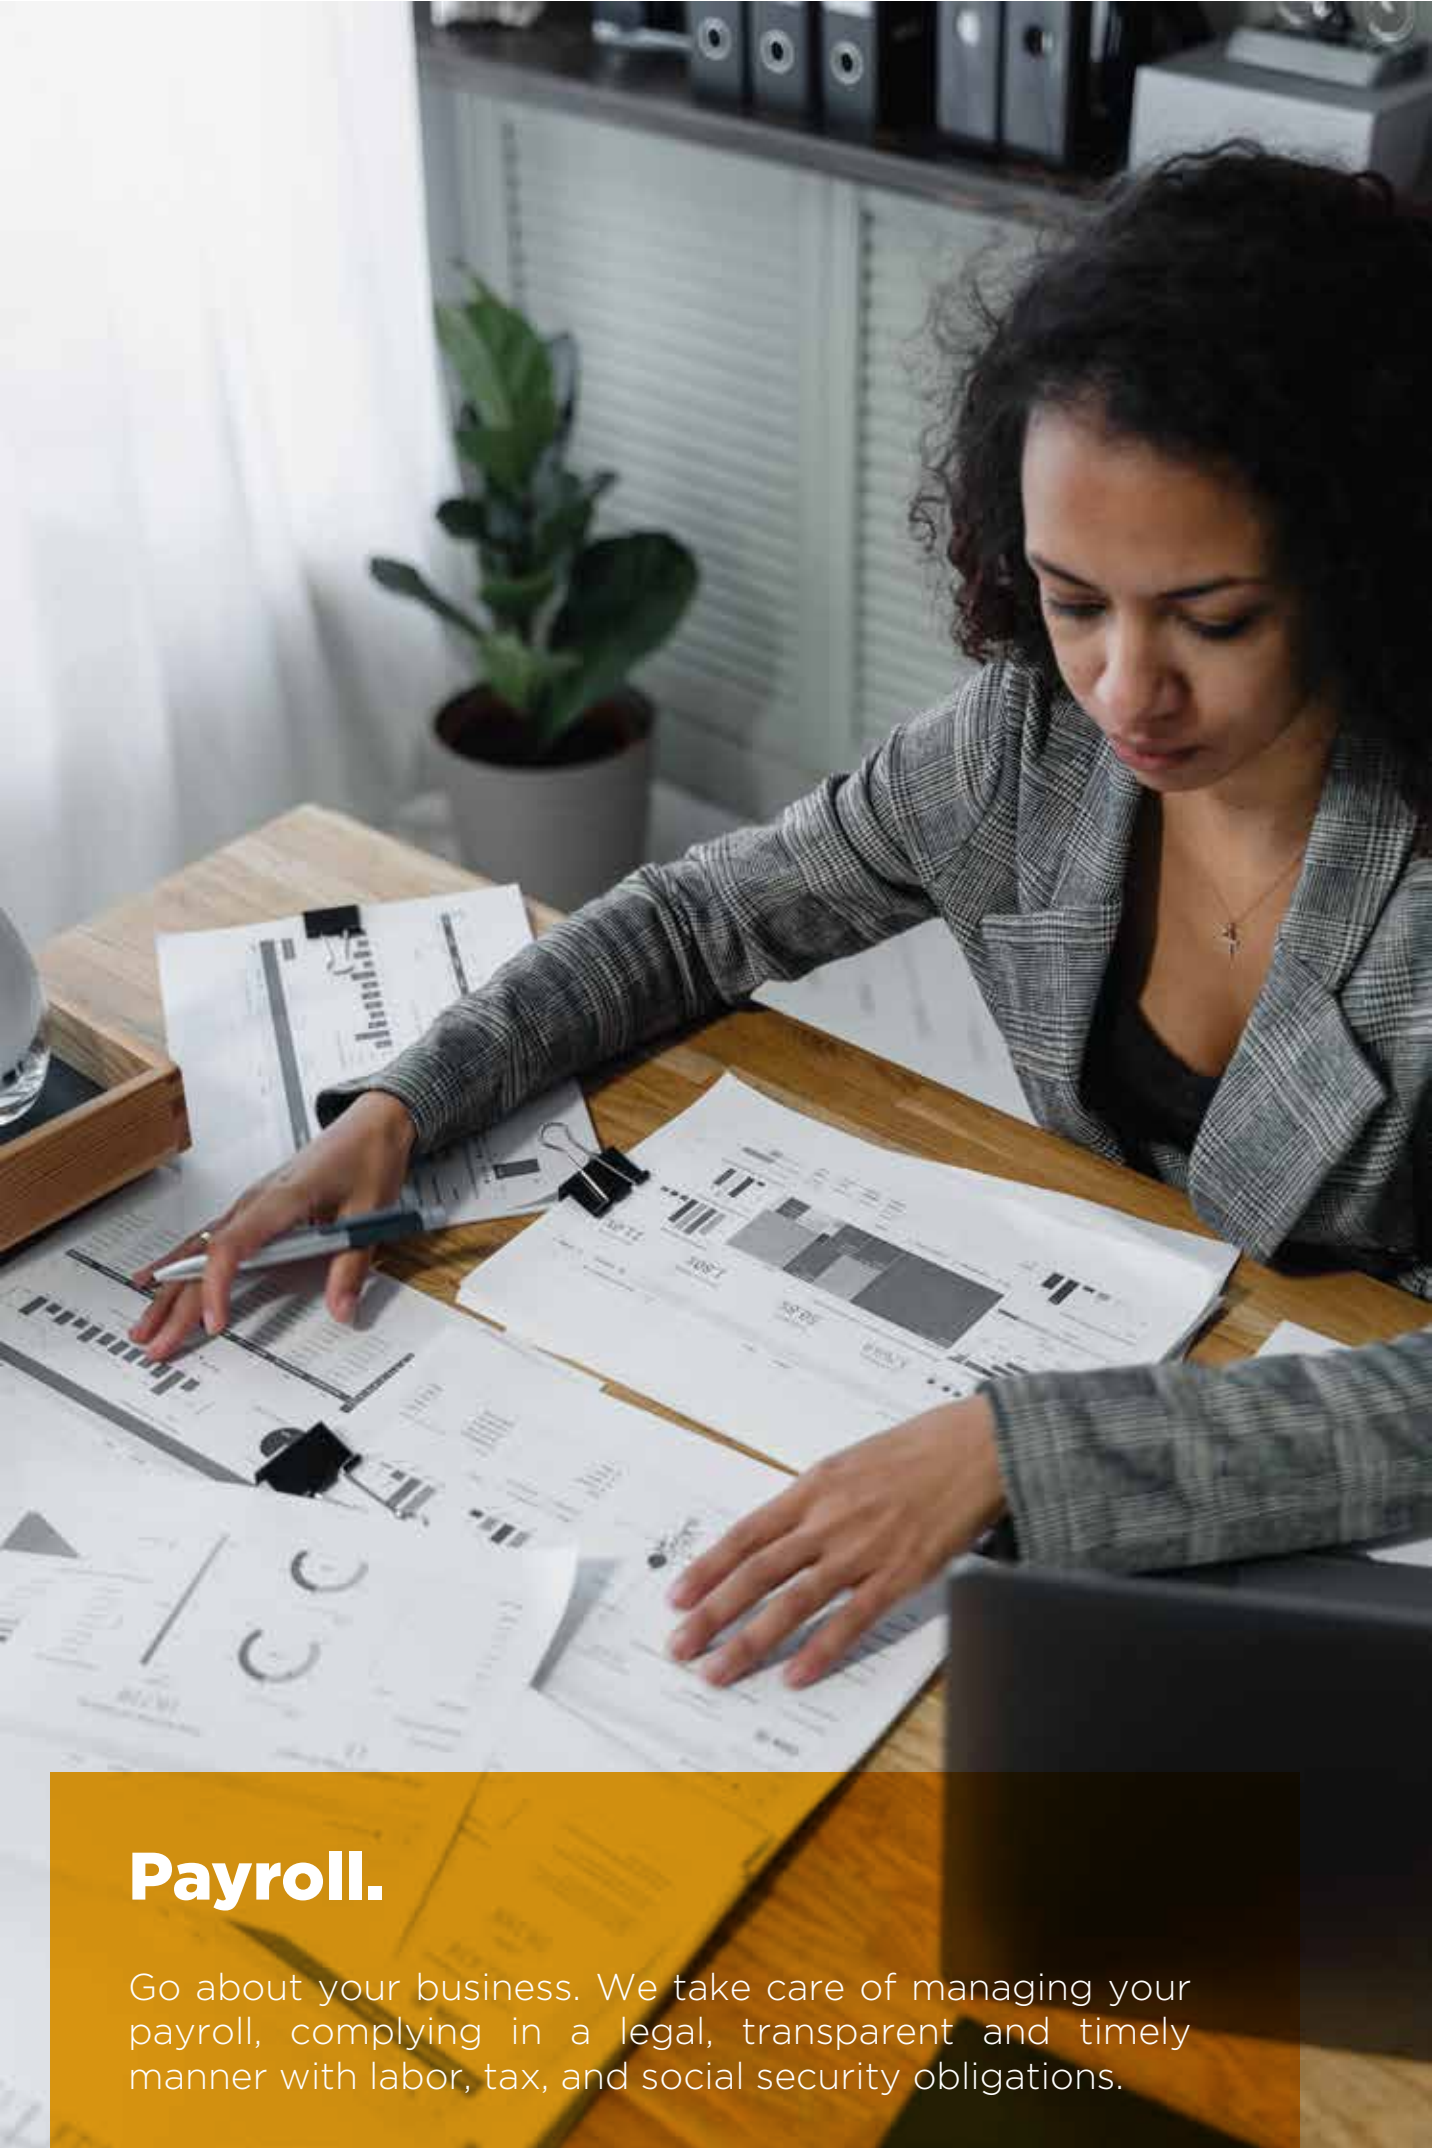

Mission.

We provide specialized professional services to our clients with innovative systems, aimed at optimizing processes.

Vision.

We are a leading company implementing strategic improvements, contributing to the continuous improvement of our clients.

Our Services.

Payroll.

Go about your business. We take care of managing your payroll, complying in a legal, transparent and timely manner with labor, tax, and social security obligations.

Our Services.

Recruitment and selection.

Through a complete evaluation process, we select and find for you the best candidate with the experience, knowledge, and skills you need to fill that key position in your company.

Our Services.

Legal advice.

We provide professional, timely legal assistance in labor, tax, and commercial matters, to give certainty and peace of mind to your company.

Accounting and tax advice.

We ease your accounting and tax processes by advising you with tax transparency, to generate the financial information that helps you make the best decisions in a timely manner and thus be able to establish real growth goals.

Our Services.

Organizational development.

We redesign and improve those auxiliary processes to your central activity, to optimize the times of each position, and this benefits the productivity of your company.

Management of legal procedures.

We offer you the personalized assistance of our professional team of advisers, to support you in the management of legal procedures, both public and private.

Benefits for your company.

Support to achieve your goals.

Transparency in our processes.

Security and confidentiality in handling information.

Reduction of administrative times.

Improved teamwork productivity.

Personalized attention to your needs.

Benefits for your workers.

Life insurance.

Car insurance

Insurance of major medical expenses.

Our commitment.

We are a transparent, reliable, and responsible company that provides professional service for the comprehensive solution of your administration, with innovative systems aimed at optimizing processes and satisfying needs.

Security and efficiency for your company.
